DETAILED ACTION

Allowable Subject Matter

1. Claims 1-8 are allowed.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 1-8 is the inclusion of the limitations of: a set of clave blocks each comprising a rigid body made of a solid material, said body having an open cavity therewithin defined solely by said solid material; and said bodies having substantially equal exterior dimensions and different volumes of said open cavities therewithin provided to generate musical tones a variety of pitches. It is these limitations found in each of the claims, as they are claimed in the combination that have not been found, taught or suggested by the prior art of record, which make these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
